- Sri.B.Unnikrishnan Nair ,Head Accountant

The meeting was chaired by Dr. Sujatha T S the chairperson of IQAC. The decisions taken were as follows,

- Proposal for new UG & PG courses to management. UG course, the college wishes to start is B.Sc mathematics. This course will be of great demand from the degree aspirants. The complimentary courses of B.Sc mathematics is statistics and Physics and can be managed without any added financial burden.
- Decided not to apply for B.Sc Botany course (which was proposed earlier) due to the lack of laboratory facilities.
- PG courses the college proposes are MA English and M.Com
- Separate rooms are to be provided for Women Study Unit, Career Guidance and Placement Cell.

- A new room should be attached to the new block for the purpose of archives room that can be utilized for keeping the attendance and acquaintance register of previous years and other valuable records.
- The existing chemistry lab is to be renovated. Chemistry lab faces much difficulties for want of space. In order to overcome these difficulties renovation is necessary.
- It is decided to constitute a subcommittee of IQAC to verify the documents submitted by the teachers for their promotion/placement under CAS.
- Chithra P, IQAC Co-ordinator, Dr. Archana V P, Dept. of Mathematics and Dr. Sreeja Dept. of Zoology have been nominated as the subcommittee members.

Meeting for subcommittee for the verification of CAS documents submitted by Dr. Sheela Devi D, Department of Zoology.

Members present :

- Dr. Sujatha T S (Principal)
- Dr. Chithra P (IQAC Co-ordinator)
- Dr. Sreeja V (Member IQAC)
- Dr. Archana VP (Member IQAC)

The subcommittee of IQAC constituted for the verification of relevant documents submitted by the teacher for their promotion/placement under CAS has convened on 13/2/2020 to verify the proposal submitted by Dr. Sheela Devi D, Department of Zoology for her promotion to Associate professor (stage 3 to 4). The subcommittee has scrutinized all documents submitted by her and found that her claim for the promotion to the post of Associate professor is correct. Therefore IQAC recommends that the proposal for the promotion to the post of Associate professor can be submitted to the University for further procedures.

Action Taken Report of IQAC (2019-20)

- The college has organized and conducted a Talent hunt program to discover students with artistic talents. Dr. Chithra P of Department of Commerce was assigned the duty of co-ordinating the program. She was also assigned to motivate the selected pool of students and to provide them with necessary training so as to develop their potential for participating in State/University level competitions. Under her guidance, training was given to students in various events like light music, Classical music and Thiruvathira. Skill development training was also given to students with creative potential for essay, poetry and short story writing. The training sessions were conducted during zero hours –either before or after the regular classes.
- To improve the academic and administrative performance of the institution, IQAC has institutionalized an online feedback system. Through the system, feedbacks from students, parents, were collected and analysed to evaluate the quality of the institutional process. The outcome of the analysis has been used to bring in appropriate and timely changes to the system.
- The college has constituted a number of Committees and Cells to implement various co-curricular and extracurricular activities. IQAC took an active role in monitoring the functioning of these bodies and provided assistance in times of need. The committees and cells not only helped to conduct many programs throughout the term but has also helped to create a healthy as well as vibrant academic environment for the academic community.
- The college has strengthened the Career Guidance & Placement Cell by accommodating more programs to keep the students informed of various career opportunities and to mould them into competitive job-seekers. Dr Chithra.P of Department of Commerce was assigned the duty of Co-ordinator, Career Guidance and Placement Cell. The Cell organised different soft skill development classes, motivational classes, updated the students with information regarding higher studies, conducted aptitude tests and mock interviews to face bank exams and provided them the necessary guidance to apply and participate in various competitive exams.

- IQAC directed the clubs and departments to observe, commemorate and celebrate days of national and international importance. The students were greatly benefited from the endeavour as they took active part in the exhibition of posters, seminars and rallies conducted as part of the International day of Yoga, World Water Day, Wetland Day, Hiroshima Day, Environment Day etc.
- In order to ensure the systematic functioning of the institution, the IQAC with the help of the academic committee has prepared an academic calendar for year 2019-20. The calendar prepared has been scrutinized meticulously and uploaded on the college website prior to the commencement of the academic year.
- The college has organised alumni meets during the year. Department-wise alumni meetings were also conducted.
- IQAC, as part of its commitment towards innovative teaching-learning process, took considerable steps towards modernizing the teaching learning process. As part of the endeavour, instructional sessions were arranged for teachers to provide an awareness of e-teaching techniques. The teachers were introduced to e-learning tools that could be successfully incorporated into the teaching-learning process. As successful outcome of the venture, teachers have started to seek the assistance of e-teaching tools to improve the scope of teaching and learning.
- The college has conducted remedial classes for students who are weak in their studies. The weak students were identified on the basis of result analysis and on the basis of their performance in class seminars and assignments. Remedial classes were conducted during zero hours.
- Inorder to bridge the gap of understanding between parents and children, the college conducted Orientation programs for parents titled "Know Your Child" and "Teens have more to Say". An induction program for newly admitted students were arranged under the name "Know Your College" so as to help them get adapted with the campus. Separate sessions were handled by psychologists and counsellors and the students and parents were greatly benefited from the sessions that it helped them a lot to handle issues like learning disabilities, stress, teenage related issues, etc.

- The college encouraged its students to participate in Young Innovators Programme (YIP), a scheme under Kerala Development and Innovative Strategies Council. YIP is aimed to develop young innovative minds who can play a pivotal role in solving contemporary issues faced by the society as well as to inculcate entrepreneurial traits among them. As part of the programme, two faculties of the college attended internship training for Young Innovators Programme, organized by Kerala Development & Innovation Strategic Council (KDISC). As part of YIP, five groups of students from the college registered for YIP in 2019-20. Of that, one group got state level selection for proposing the innovative idea of developing a "One Backpack for Textbooks APP(OBTAApp) and one student of final B.Com was selected to the final stage of the event.
- Encouraged students in Co curricular and extra Curricular activities. A team of students representing our college participated in Chess (Men), Kabbadi (Men), Boxing (Men) secured second runner up in kerala university Intercollegiate championship. Prasad, third physics, Amal Raj, second English, Gopika Rani, Second Physics represented Kerala University in Interuniversity competition in kabbadi, Boxing and Chess (Women) Dr. Archana. V.P was awarded Certificate of appreciation for best NSS Programme Officer. Best Volunteer NSS award for Aashik Safari, Department of physics, Certificate of Appreciation for Best NSS Unit (37 A & B) MMNSS College and Best performance award for Nithin Raj, Department of Economics for NSS National Level adventure camp. Devika Unni. R.S of NCC won Best cadet award of 7k Bn, kollam and gold medal winner in shooting competition.
