Webinar on Corporate Entrepreneurship-Report

As part of entrepreneurship development club a webinar was organized on 20-10-2020 in google meet platform. During this period of pandemic we were forced to conduct various programmes and club activities through online platforms. The resource person for the programme was Mr Francis Jacob. He is a business and alliances strategist and has got 25yrs of experience as director in various multinational companies. Our students are familiar with the corporate environment only through their books and we had the most appropriate resource person to share his experience about his professional journey and the challenges he faced during this period. He enriched the thoughts and motivated the students to take up new roles as entrepreneurs by sharing his vast experience in corporate field. He is a person with vast amount of experience in industry, both national and international. Principal Dr.Beena S talked about the relevance of developing an entrepreneurial environment in todays world. Dr.M Sreekumar, Head, Department of Commerce and former syndicate member was there to felicitate the event. The programme was a successful one with the wholehearted cooperation and participation of 100 participants from various colleges within and outside the state. IQAC co-ordinator, Dr. Chithra P and other teaching and non teaching staff of our college, participants from different colleges, ED Club members, students from other departments also participated. The programme began at 10.30 am and came to an end by 11.30. E - certificates were issued to all the participants.

About the resource person

Report on Bottle Art- A training programme by ED Club in collaboration with Department of Commerce

An Entrepreneurship Development Club has been set up in our college in order to develop an awareness among students regarding the importance of Entrepreneurship and the significance of developing entrepreneurial qualities among students. The club tries to build a culture of self- dependence through entrepreneurship and provides a platform for realizing business opportunities by arranging industrial visits, business awareness classes, practical sessions on skill development training, interaction with entrepreneurs etc. As we are still facing the atrocities of the covid 19 Pandemic we are not able to conduct training programmes or industrial visits real time.

Hence on January 12th, 2021 the Club has organized a skill training on Bottle Art making for its members and the programme was conducted through online mode. Google meet was the platform used and 35 students participated in the programme. The training programme on bottle art was conducted to enable students to make themselves self reliant, confident and also as a means for enriching their passion or hobbies. Recycling the old bottles and making a craft out of it is something that everyone is fond of. In these classes, students learned to make some unique color designs over bottles. They have learned the step by step process of glass bottle painting with different styles and techniques.

The classes were handled by Ms. Shobha Anil, a certified trainer who takes classes on various such creative works. The programme was Inaugurated by the Principal of our college, Dr. Beena S and the programme went well and was a great success. The classes helped the children to make beautiful colored designed bottles that can add charm to the corners of their room. This kind of creative art expands a child's ability to interact with the world around them and enhances their imagination skills. Students themselves got ready with their old bottles and our students made really wonderful pieces using their super creativity.

ACTIVITY REPORT

Webinar on IPR- Organised by Department of Commerce in Collaboration with IQAC

Intellectual property (IP) contributes enormously to our national and state economies. Dozens of industries across our economy rely on the adequate enforcement of their patents, trademarks, and copyrights, while consumers use IP to ensure they are purchasing safe, guaranteed products. We believe IP rights are worth protecting, both domestically and abroad. UGC is requesting universities and affiliated colleges to provide Intellectual Property Rights as a part of their elective system. Electives are courses which students can elect for, as opposed to mandatory courses. Keeping in view the importance of IPR which recognizes the work of the creator, universities are requested to devise, through academic council, inclusion of the IPR as a generic elective subject under the Choice Based Credit System (CBCS) in all esteemed universities and to organize IPR related workshops and seminars in affiliated colleges so as to enlighten the academic community regarding the same.

The Department of Commerce, MMNSS College in collaboration with IQAC organized a webinar on Intellectual Property Rights on 29th April 2021 at 4.00pm through the platform google meet inorder to promote the relevance of IPR among the students and academic community as well. 48 students and 5 faculty members participated the programme. The program began with a prayer song after which the welcome speech was delivered by Smt. Kavitha L, Assistant Professor of Commerce and Programme Co-ordinator. She welcomed the speakers, chief guests and all the participants on behalf of Department of Commerce and IQAC.

The presidential address was given by Dr. Sreekumar M, Associate Professor and Head, Department of Commerce. In his speech he introduced the resource person

to the participants and explained the motive behind organising this webinar. After the presidential address honourable principal Dr. Beena s formally inaugurated the webinar and extended her full hearted support to the program. The felicitation speech was rendered by Dr. Chithra P, Assistant Professor of commerce and IQAC Co-ordinator. She expressed her happiness in felicitating the programme and wished all success. The session was handled by Dr. N L Sajikumar, Professor, Govt. Law college, Calicut. He explained the various legal sides of intellectual property rights and shared his knowledge about various legal aspects associated with it. He also spoke about how the ownership of Intellectual property is determined and the protection extended by law for intellectual property. The programme ended with the vote of thanks rendered by Athulya M, final year B. Com student who thanked the respective speakers, organisers and participants .

The Department of Commerce at MMNSS College, Kottiyam, successfully organized a **Webinar on Research Methodology: Concepts and Practices on 12th November 2021.**

The webinar saw active participation from **43 attendees**, including students and faculty members.

The event was inaugurated by **Dr. Beena**, Principal of MMNSS College, who emphasized the importance of research skills in the academic and professional development of students.

Kavitha L., the coordinator of the event, welcomed the participants and introduced the key topics to be covered during the webinar. **B. Sreekumar**, Head of the Commerce Department, delivered the keynote address, highlighting the relevance of research methodology in commerce and other fields.

The webinar was led by **Firoz Khan**, who conducted two engaging sessions:

1. **Basics of Research Methodology:** This session introduced the fundamental concepts of research methodology, including problem formulation, hypothesis development, and literature review.
2. **Research Design and Techniques:** Dr. Khan delved into various research designs, data collection methods, and statistical tools commonly used in research.

The sessions were followed by an interactive Q&A session where participants posed their queries on research practices and methodology, which were expertly addressed by the resource person.

The event concluded with a valedictory ceremony led by **B. Sreekumar**, followed by a vote of thanks delivered by **Kavitha L.**. The participants expressed their appreciation for the comprehensive and insightful nature of the webinar, which helped them gain a deeper understanding of research methodology.

Report of Workshop on Research Methodology 2020-2021

Department of English conducted a workshop on Research Methodology for the 6th Semester BA English students on 13th January 2021. Dr. Kishore Ram, Head of the Department took the control of the programme. All the other faculty members were present and fulfilled their assigned duties. The workshop is conducted as two sections. The Forenoon session which began at 10 am was taken by the resource person, Dr. Seema Rajan (Asst. Professor, NSS College, Nilamel) and the afternoon session which began at 1.30pm was handled by one of the faculty of the department, Mr. Jayakrishnan. R. The morning session focused on insights about the significance of research for their future studies, types of research and how research equip students to face real life situations in the contemporary scenario. The afternoon session was an orientation class to the students about the rules and criteria which should be followed while doing the final semester project. Overall, the workshop was successful and motivated students to use research in their future paths. The programme was also an inspiration to the department to initiate such kind of programmes in the coming academic years.
