Report on Passionprenuer -A webinar Organised by ED Club

The Entrepreneurship Development Club of M.M.N.S.S college in collaboration with District Industries Centre organised a webinar on Passionprenuer on 2nd January,2021 from 4.00 pm to 6.00 pm through Google Meet platform with the participation of around 120 students. The main aim of having such a webinar was to identify the entrepreneurial skills in the minds of the youth and to provide maximum support and motivation in developing their inborne talents for becoming a successful entrepreneur. The programme began with a prayer song and after which the welcome speech was delivered by Mrs Kavitha.L Assistant Professor of Commerce and coordinator of Entrepreneurship Development Club. She welcomed all the speakers as well as the chief guest and the participants on behalf of the institution.

The webinar was inaugurated by the Honourable Principal Dr.Beena.S who appreciated the efforts given by the entrepreneurship Development club for organising the webinar and advised the students to utilise such opportunities. The presidential address was given by Dr.Sreekumar.M , Associate Professor of Commerce and Head, Department of Commerce. In his speech he introduced the resource person and explained the motive behind organising the webinar.

After the presidential address, a felicitation speech was given by Mr.John Mathew, Industries extension officer, Mukhathala Block. He extended his support to the webinar and talked about the need for organising such programmes for the students.

Another felicitation was also rendered by Dr.Chithra.P Assistant Professor of Commerce and IQAC coordinator. She expressed her happiness for getting an opportunity in felicitating the function and wished all success for the programme.

The session was handled by Mr.Shaharudeen. A JCI certified trainer. He interacted with the students and made the session lively. He spoke about the qualities required to become a successful entrepreneur. He also explained the role of an entrepreneur and his contribution in the development of the society.

The webinar came to an end with the vote of thanks rendered by Athulya. S student of final year B.Com who thanked all the respected speakers organizers and participants on behalf of the institution.

Report on Bottle Art- A training programme by ED Club in collaboration with Department of Commerce

An Entrepreneurship Development Club has been set up in our college in order to develop an awareness among students regarding the importance of Entrepreneurship and the significance of developing entrepreneurial qualities among students. The club tries to build a culture of self- dependence through entrepreneurship and provides a platform for realizing business opportunities by arranging industrial visits, business awareness classes, practical sessions on skill development training, interaction with entrepreneurs etc. As we are still facing the atrocities of the covid 19 Pandemic we are not able to conduct training programmes or industrial visits real time.

Hence on January 12th, 2021 the Club has organized a skill training on Bottle Art making for its members and the programme was conducted through online mode. Google meet was the platform used and 35 students participated in the programme. The training programme on bottle art was conducted to enable students to make themselves self-reliant, confident and also as a means for enriching their passion or hobbies. Recycling the old bottles and making a craft out of it is something that everyone is fond of. In these classes, students learned to make some unique color designs over bottles. They have learned the step by step process of glass bottle painting with different styles and techniques.

The classes were handled by Ms. Shobha Anil, a certified trainer who takes classes on various such creative works. The programme was Inaugurated by the Principal of our college, Dr. Beena S and the programme went well and was a great success. The classes helped the children to make beautiful colored designed bottles that can add charm to the corners of their room. This kind of creative art expands a child's ability to interact with the world around them and enhances their imagination skills. Students themselves got ready with their old bottles and our students made really wonderful pieces using their super creativity.

Report on the Webinar on Research Methodology: Concepts and Practices

The Department of Commerce at MMNSS College, Kottiyam, successfully organized a

Webinar on Research Methodology: Concepts and Practices on 12th November 2021.

The webinar saw active participation from 43 attendees, including students and faculty members.

The event was inaugurated by **Dr.Beena**, Principal of MMNSS College, who emphasized the importance of research skills in the academic and professional development of students. **Kavitha L.**, the coordinator of the event, welcomed the participants and introduced the key topics to be covered during the webinar. **B. Sreekumar**, Head of the Commerce Department, delivered the keynote address, highlighting the relevance of research methodology in commerce and other fields.

The webinar was led by Firoz Khan, who conducted two engaging sessions:

- Basics of Research Methodology: This session introduced the fundamental concepts
 of research methodology, including problem formulation, hypothesis development,
 and literature review.
- Research Design and Techniques: Dr. Khan delved into various research designs, data collection methods, and statistical tools commonly used in research.

The sessions were followed by an interactive Q&A session where participants posed their queries on research practices and methodology, which were expertly addressed by the resource person. The event concluded with a valedictory ceremony led by **B.** Sreekumar, followed by a vote of thanks delivered by **KavithaL.**. The participants expressed their appreciation for the comprehensive and insightful nature of the webinar, which helped them gain a deeper understanding of research methodology.

The morning session focused on insights about the significance of research for their future studies, types of research and how research equip students to face real life situations in the contemporary scenario. The afternoon session was an orientation class to the students about the rules and criteria which should be followed while doing the final semester project. Overall, the workshop was successful and motivated students to use research in their future paths. The programme was also an inspiration to the department to initiate such kind of programmes in the coming academic years.
