Dear Sir,

Sub- Request to grant permission for conducting a Personality Development Class.

Dept. of Commerce is planning to conduct a Personality Development Class on 20th September 2022 with Mr. Nidhin Navadath (Career Specialist, Head Office of Logic School of Management) as our Resource person. I request you to grant permission for the same. The most important objective of the class is to help students to learn stress management, positive thinking, inter-personal skills, social etiquettes and pleasing mannerisms. So this would have a positive effect on them. We will make sure that all necessary arrangements are made for the smooth functioning of the programme.

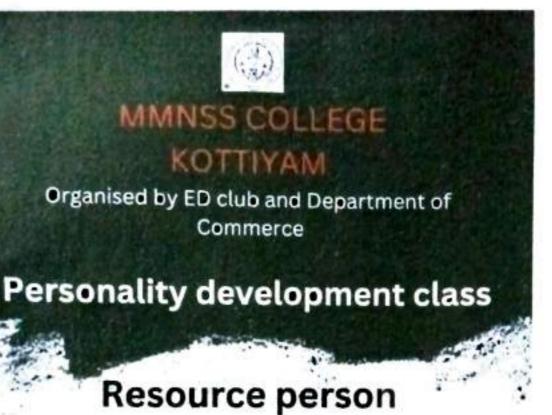

Yours faithfully,

Kavitha L

In this competitive world, having a great personality is necessary for a person's life. The program was a fruitful one and enabled the students to understand the relevance of developing attractive personality

Personality Development class- Organised by Department of Commerce

Date- 20/9/2022

Offline Mode

Development of personality is the method of bringing about positive change or development of right attitude. Personality development classes are certainly useful in building a strong personality that focuses on solutions rather than the problem. It takes the path of positive attitude and also helps in developing the communication skills which form an integral and vital part of your personality. Personality development classes, most importantly helps students learn stress, conflict, anger management, improves their positive thinking, interpersonal skills, improves concentration and social etiquettes and pleasing mannerisms. In today's world possessing an attractive personality has become a necessity not only for our personal lives but in our career and every other aspect too. In this competitive world, having a great personality is necessary for a person's life. All get inspired by an attractive personality. Whether it's a job interview or conversation with a group of friends, there are certain characteristics that you must own to create your mark in society.

On 20th sept 2022, a personality development class was organized by the department of commerce in collaboration with Logic school of Management for the B.Com final year students of our college. It was organized in the smart class room of Department of Commerce. The session began with a prayer song by Sneha S R of final year B.Com.The welcome speech was delivered by the head of the department of commerce Ms. Kavitha L. Career guidance session was handled by the faculties of Logic Institution Mr. Nidhin. The class was carried out on activity oriented mode. Students were given many tasks to perform. Logo identification, tagline representation etc was were shown to the

students in which the whole class performed very well with much energy and enthusiasm. The session started by 10 am and went upto 3pm. The whole students were so excited to cooperate with each tasks given and also maintained team spirit and discipline throughout the session. Mr Nithin concluded this session on talking about various job opportunities and about the professional courses available after degree program. Finally the session came to an with a vote of thanks by sufi S of final year B.Com. The total participants for the programme was 33 students.

Resource person- Mr. Nidhin Navadath

Nithin Navadath completed his schooling from Trivandrum. Further on he went to complete his Engineering from Chennai and completed his MBA from Bangalore University. Program Outcome

Learning embroidery skill will benefit society and the child's development into well rounded conscientious and productive adult. These skillshelps in improving fine motor skills, manual dexterity and manipulative skills as well as a working understanding of art and life management skills. Embroidery can even teach a child money management. Products can not only be given as gifts which allows for saving money that would have been needed to purchase a gift but also allows the individual to spend it on other things while still giving a thoughtful unique gift handmade instead of purchased from the store. The art form of embroidery can even launch a child into their own small business by selling their handmade items to friends.

Report on Liquid embroidery programme

The Entrepreneurship Development Club of MMNSS College, Kottiyam has organised a liquid embroidery programme on 16/11/2022 for its members. The programme was jointly organised by ED Club and Department of Commerce which was funded by DIC, Kollam for developing entrepreneurial qualities among students. The programme aimed at developing creativity talents of students. Students from the Department of Chemistry, Department of Zoology, Department of Commerce and Economics participated.

Liquid embroidery helps in developing the strengthening of coordination, academic, emotional and artistic skills. Students gain a sense of pride from jobs well done and the attention they gain from their achievements. Children learn respect for the time and labor that went into projects by learning these skills that embroidery teaches. A child learns discipline, endurance, patience, and time management from accomplishing these kind of work. Eye-hand coordination, color theory, design and planning skills are all developed by embroidery.

These skills easily build academic skills as well by improving fine motor skills, manual dexterity and manipulative skills as well as a working understanding of

management. Projects can not only be given as gifts which allows for saving money that would have been needed to purchase a gift but also allows the individual to spend it on other things while still giving a thoughtful unique gift handmade instead of purchased in the store. The art form of embroidery can even launch a child into their own small business by selling their made items to friends. I carn embroidery skill will benefit society and the child's development into well rounded conscientious and productive adult. The material kit was provided to the students and no fund collection has been made from the part of students. The classes were taken by Smt. Rekha AnilKumar, an expert in conducting liquid embroidery classes. Altogether 18 students participated and the programme began by 1p.m and came to an end by 4pm. The programme was a fruitful one and benefitted the students a lot.

Industrial Visit to Indian Aquatic Products, Shakthikulangara on 29/11/2022

The ED Club of MMNSS College has conducted an industrial visit on 29/11/2022 to Indian Aquatic Products, Shakthikulangara as part of developing entrepreneurail skills among the students and also to acqauaint them with the industrial atmosphere. Indian Aquatic products was started in the year 2002. The company mainly focusses on export of marine food products to different countries all over the world. They are well equipped in the packing of fresh/chilled fish & fishery products freezing of raw fish & Fishery products. Fishes like cuttle fish, Tuna, squid and sardine are mainly used for exporting. A Group of 47 students accompanied by teachers started from the college by 10.30 pm. The conveyance was provided by the club and they were taken in a Bus. The visit was conducted in collaboration with Department of Commerce. The visit was mainly focussed to understand the processing and packing of marine products and its export procedures.

Before entering the unit, the students were provided with special dress and Boots as they have to keep up the safety standards. High level cleanliness is maintained in the unit and before the staff enters the room they wash their hands with 20pp chlorine water and their boots with 100pp chlorine water. The staff explained about the processing and operations undertaken within the unit.

There were different sections like raw material receiving, pre processing section, chemical treatment unit, weighing, setting, freezing using tunnel trolley and plate trolley, packing of fish are usually done in big cartages. After packing them they are kept in store freezer. Consignments are send to destinations in containers with freezer facility and under temperature as per instructions. The revenue earned from each consignment may go upto 1 crore. The marine products are exported to France, Germany, USA, Thailand, China etc. With proper freezing procedures the products will remain afresh upto 2 years.

The visit was a wonderful experience for the students. The owner of the firm Mr. Phiomen Antony explained the history of the firm and the hurdles he suffered in building up this unit. Difficulties in connection with export formalities, their turnover, declining orders after checking etc. were also shared with the students. It was a first hand experience for the students to view the procedures that are being undertaken in an exporting unit. The visit came to an end by 1.30pm and after coming back to college, the students were given an opportunity to reflect upon the visuals they have experienced.

A Career guidance session by INFOCOM Computer College

An academic session was conducted by Infocom college of science and Technology on 14/03/2023 in our college based on the course SAP(System-Analysis Program Development). It was a session that provided information about the SAP course which the students were quite unfamiliar Traditional business models often decentralize data management, with each business function storing its own operational data in a separate database. This makes it difficult for employees from different business turictions to access each other's information Furthermore, duplication of data across multiple departments increases 11 storage costs and the risk of data errors By centralizing data management, SAP software provides multiple business functions with a single view of the truth. This helps companies better manage complex business processes by giving employees of different departments easy access to real-time insights across the enterprise. As a result, businesses can accelerate workflows, improve operational efficiency, raise productivity, enhance customer experiences and ultimately increase profits. Mr. Prasanth who is a representative from Infocom college informed students about the scope of SAP course. The visual presentation about the course made the session more interactive. They explained about the duration and fee details of the course. The doubts of the students regarding the course were, also cleared by them. It was a really useful session that provided the students a better awareness about the job possibilities that SAP can provide in future

Programme by ED Club in collaboration with Department of Commerce and IQAC -Spark Yourself- A Motivational Talk

Date- 13/3/23 Venue- Seminar Hall

The Program spark yourself- An inspirational talk was organized by Entrepreneurship Club in collaboration with Department of Commerce in our college on 13/3/23 at 10.30am. Program was held in Seminar Hall and it was decorated with banners. All the teachers and students were present at the sentinar ball, at 10.30am. The program started with the arrival of chief guest Mr. S Suresh Kumar. Hisana, first year B.Com student anchored the program. The program began with a a prayer song. Dr Kavitha L. ED Club coordinator and Head Department of Commerce, welcomed the chief guest and other faculties and students to the program. She introduced the objective of Entrepreneurship development club and the various initiatives undertaken in the college since its inception. Honourable and dignified principal Dr.Satheesh E. N presided over the function. Dr Prakash Chandran, Head of the Department, Chemistry and PIA secretary gave the felicitation speech. Mr. Suresh Kumar sir, the resource person and speaker of the program is a corporate trainer and Psychologist. He holds post graduate diploma in journalism and couseiling Psychology. He introduced several entrepreneurial and inspirational stories and various real life examples. Inspirational talks gives a sense of purpose that enhances well-being and may lead to personal growth. At times, inspiration can significantly influence the entrepreneur, the entrepreneurial process, and others. Hence conducting such programs enhances and sparks the entrepreneurial and creative thinking ability of the students.

The session was activity oriented and was enriching for the students. There was great enthusiasm among the students and they were looking highly energetic. It was a unique and conderful experience for the students since they were involved in various activities throughout the session. The program came to an end by 12.30pm. Sufi S., Final year B.com presented the feedback of the session and proposed the vote of thanks.

Spark Yourself- A Motivational programme conducted by ED Club

The Program 'Spark yourself' - An inspirational talk was organised by ED Club and Department of Commerce in collaboration with IQAC. The venue for the program was college seminar hall. All the teachers and students were present at A corporate trainer and Psychologist.

The program started with a prayer song by Sneha of final year B.Com. Dr Kavitha L, Department head and coordinator of ED Club welcomed the gathering. The presidential address and formal inauguration of the program was done by College Principal, Dr Satheesh E N. Dr Prakash Chandran, Head, Dept of Chemistry and PTA Secretary offered his felicitation for the future endeavours of the activities and programmes of the club. He made a wonderful speech by sharing his knowledge and experience. Talk by Mr Suresh Kumar was a fruitful one and he delivered a brief speech on the advantages of being an entrepreneur. He motivated the students by citing the examples of various businessmen who struggled hard with high desire and also made students aware of personality issues, ways of Identifying business opportunities and how to frame business plans etc. The entire session was activity oriented which helped him to grab students' attention throughout. At the end, students expressed interest in exploring entrepreneurship as a career. There was great enthusiasm among the students and they were looking highly spirited. The programme came to an end at 1 pm by a vote of thanks proposed by Hizana N, student coordinator and ED Club member of the program.

Report

Report on the Seminar on IPR and Consumer Protection

The Department of Commerce at MMNSS College, Kottiyam, organized a seminar on IPR (Intellectual Property Rights) and Consumer Protection on 15th March 2022. The seminar, held at the college premises, attracted 35 participants, including students, faculty members, and research scholars.

The event began with an inaugural ceremony led by **Dr.Satheesh E. N.**, Principal of MMNSS College. In his speech, he stressed the importance of understanding intellectual property rights in the modern business environment and the significance of consumer protection laws. Following the inauguration, **Kavitha L.**, the coordinator of the event, welcomed the participants and introduced the theme of the seminar.

B. Sreekumar, Head of the Commerce Department, delivered the keynote address, emphasizing the intersection of commerce, law, and intellectual property in today's global economy.

The seminar featured two informative sessions by Dr. Aneesh A. S .:

- Overview of Intellectual Property Rights (IPR): This session provided a
 comprehensive introduction to IPR, covering patents, trademarks, copyrights, and the
 importance of protecting intellectual property.
- Consumer Protection and Legal Rights:Dr.Ancesh A. S. discussed the rights of
 consumers under various consumer protection laws, with practical examples and case
 studies to illustrate the significance of legal awareness.

The sessions were followed by an interactive Q&A, where participants engaged with the resource person on various topics related to IPR and consumer protection.

The event concluded with a valedictory ceremony led by B. Sreekumar, followed by a vote of thanks delivered by KavithaL... The seminar was well-received by the participants, who found it both enlightening and relevant to their academic and professional pursuits.

Program Outcome

The resource person shared the problems that he faced to raise his ideas and to materialize it and the struggles that he overcome in his path towards becoming a successful entrepreneur. He gives a strong message that a successful entrepreneur always has a strong sense of self confidence and his own opinions ,skills and abilities to stay focused. During the last few moments students interacted with him and asked him some questions which surely will have an impact on their decision in becoming an entrepreneur. The entire session was a fruitful one which will have a positive impact on the students.

INDUSTRIAL VISIT REPORT

Date of visit : 29-03-2023

Venue : Munroe Island

An Industrial visit to Munroe Island, Kollam was organised by the Department of commerce in collaboration with DTPC and tourism club on Wednesday 29-03-2023. The tourism sector in India is an integral pillar of the Make in India programme. The tourism industry in India plays a role of significant economic multiplier and becomes critical since India has to grow at rapid rates and create jobs. Tourism tends to encourage the development of multiple-use infrastructure including hotels, resorts & restaurants, transport infrastructure (aviation, roads, shipping & railways) and healthcare facilities. Restaurants, shops, transportation systems, recreational places, etc. develop because of tourism. When tourists visit a new place, they avail all these facilities, thus, contributing and developing the economy of the region. A visit to this tourism place was organised with a view to develop entrepreneurial qualities among the students and to assess the entrepreneurial prospects in the area, 27 students and two faculty - Dr.Kavitha.L. , ED Club Coordinator and Head, Department of commerce, and another faculty Devipriya.R accompanied the students. The main objective was to make the members understand entrepreneurial scopes in munroe island by paving real time experience by visiting the place and to get interacted with the service providers like homestay operators, boat service provided by private parties and to understand how their life changed after tourism promotion activities flourished in their area.

We have hired a mini bus and went to munroe island. The bus left the campus by 9:00 am and reached the venue at 10:00 am. Munroe island is a hiddenpart in backwater which is composed of eight islands. It is one of the main destination of nature loving tourists. After the guidance, students were taken to DTPC (District Tourism Promotion Council) which conducts country craft cruise and village backwater tour. We used their boating service. They provide safejacket and safety assistance while travelling in boat. Students travelled in three boats. Each boat carried a group seven students. The boat trip rated at 300 Rs for two hours.

Fish and prawn farms of this island place form an attraction to the visitors. The view of island and the boating feels like meditation, it relaxes our mind and body and keeps afresh.

The major business in munroe is the homestay which is provided by the local people itself in the region. The profit earned through this business was upto 60,000 - 70,000 per month. Homestays are relatively a new type of business as compared to past few years for the people in munroe island. Crab and prawn culture is considered as a highly compatible business as compared to other farming business or practises.

The Industrial visit gives a lot of information about entrepreneurial activities. The students learn about the latest measures and really enjoyed the view of munroe

island. Students learn to practically interact with the entrepreneurs, their working methods and employment practises. They learn to improve their communication skills and understand how communication takes place across verticals. The trip provided unforgettable and an unique experience to its members.

Report

Report on the One-Day Workshop on Research Writing

Date: 25th September 2022

Venue: College Seminar Hall, MMNSS College, Kottiyam

The Department of Commerce at MMNSS College, Kottiyam, organized a one-day workshop on "Research Writing" on 25th September 2022. The workshop aimed to equip participants with essential research writing skills, crucial for academic and professional success.

The event began at 10:00 AM with registration, followed by the inauguration ceremony at 10:30 AM. The workshop was inaugurated by the Principal, Dr. Satheesh, who emphasized the importance of effective research writing in the academic journey of students.

The workshop was coordinated by Prof. Kavitha L, HoD of the Department of Commerce. In her opening remarks, she highlighted the significance of the workshop in enhancing the research capabilities of the students.

The first session, conducted by Dr. S. Kevin, Director, Bishop Jerome Institute of Management, provided an introduction to research writing. He covered the fundamental aspects of writing a research paper, including topic selection, literature review, and hypothesis formulation. The session was highly interactive, with participants actively engaging in discussions.

Following a tea break, the second session delved into the structure of a research paper. Dr. S. Kevin elaborated on the different sections of a paper, such as the introduction, methodology, results, discussion, and conclusion. This session provided participants with a clear understanding of how to organize their research work effectively.

After lunch, the final session focused on common mistakes in research writing. Dr. S. Kevin started practical tips to avoid these errors and improve the quality of research papers. The participants found this session particularly helpful, as it addressed many of the challenges they faced in their writing.

The workshop concluded with a Q&A session, where students had the opportunity to clarify their doubts and seek further guidance. The valedictory session included a vote of thanks by Kavitha L, who expressed her gratitude to the resource person, participants, and everyone involved in the successful organization of the event.

The workshop ended at 3:30 PM, with participants expressing positive feedback and a desire for more such workshops in the future.

Report of Workshop on Research Methodology 2022-2023

Department of English conducted a workshop on Research Methodology for the 6th Semester BA English students on 24th January 2023. Dr. Kishore Ram, Head of the Department took the control of the programme. All the other faculty members were present and fulfilled their assigned duties. The workshop is conducted as two sections. The Forenoon session which began at 10 am was taken by the resource person, Nada Rajan (Asst. Professor, MSM College, Kayamkulam) and the afternoon session which began at 1.30pm was handled by one of the faculty of the department, Mr. Jayakrishnan. R.The morning session focused on insights about the significance of research for their future studies, types of research and how research equip students to face real life situations in the contemporary scenario. The afternoon session was an orientation class to the students about the rules and criteria which should be followed while doing the final semester project. Overall, the workshop was successful and motivated students to use research in their future paths. The programme was also an inspiration to the department to initiate such kind of programmes in the coming academic years.

Research Methodology

Department of Physics of MMNSS college Kelligam has organised a Wabinar on Research Mithodology on 20th October 2022 at 7 pm. Anusha M.G. was the Coordinator of the webinar and Dr. Rakli RB from NIIST, Tum was the resource person. 35 participants from Physics and Chemistry were present for the Webinar and Teachers from the dept's also participated in the Webinar The session was neatly handled keeping in mind the need of the students. This talk was organized to generate an awareness for Research in the itudent community.

Dr. Sutheertha S. Nair, Head of Dept of Physics welcomed the participants and gave on introductory speech and also introduced Dr. Rakhi R. B the resource person of the day. The theme of the talk was "Research culture and how to write journal papers."

The resource person began her session

inth an introduction to research briefly lipes of Research. She explained briefly the objectives and motivations in Research. The research methods and methodology was briefly explained. The relidents were explained on how literature survey needs to be done. Finally the resource puson explained briefly on how a research report is written.

The programme come to an end with the vole of thanks by Resnie V. S. Assistant Professor, Dept of Physics. She appreciated the fact that though this was for science students, the arts students also participated

Anusha. H. G.

Research Methodology

Seminal was hold on 25/03/2043 at the seminar Hall of MINISS College, Kolfermun organized by our department. The sominal was designed to provide the students with a fundamental ideas of research methodology, data collection ete. analysis, and interpretation ete. The seminar received positive feed back from the participants. The event concluded to speaker and the participants. The resource per son was Dr. Vijaya kumar.s Asst. Professor and Research Guide Dept. of physics 11 NSS college, Ponda lam.
