Brief report less than 100 words	<p>The programme was jointly organized by Entrepreneurship Development club, DIC and Department of Commerce in order to develop entrepreneurial skills among students. During the year 2020 corona virus began to be rampant in our society and it was imperative to adopt suitable precautions so as to protect our dear ones and ourselves from this deadly pandemic. It was found essential to use precautionary measures like washing with soap and handwash in order to protect ourselves against this deadly disease. Hence the club members felt the need to be trained in soap making and handwash making. The programme was conducted as a training programme in order to develop the talents and skills of the students. The skill training session was funded by District Industries centre and it facilitated in developing a skill which enables the students to lead a better livelihood for them and as a source of earning while learning. Webinar :

" SMART LEARNING BEYOND THE WAVES "

To inculcate in students the need for efficient time management in learning, the Department of Physics organised a national webinar on 'Smart Learning Beyond The Waves'. The resource person was Dr. Biju K Assistant Professor, Department of Education, School of Education, Central University of Tamil-Nadu. In a very simple manner the speaker discussed with students how even the toughest topics can be studied properly by wisely breaking it up into small segments. He introduced many new learning platforms to the students where they can study topics of their interest along with their regular college classes. He also discussed simple hacks to crack competitive examinations. The topics were discussed in a lucid manner which was welcomed by all the students interestingly. The webinar which started at 10:30 am came to an end by 1:00 pm.

Disaster Management Club

MMNSS KOTTIYAM

Activity Report (2021-2022)

To provide an awareness of different disasters and the importance of first aid the disaster management club of MMNSS College, Kottiyam in association with PG Department of Physics and IQAC organised and conducted a seminar on Disaster Management on 24.02.2022 at 10 am in the college seminar hall. The talk was handled by K L Prathapa Kumar, Fire and safety Officer, Neyyar Dam. Dr.Satheesh E N,Principal, MMNSS College, Kottiyam delivered the presidential address. Resmi V S, Co-Ordinator, Disaster Management Club delivered the welcome speech. Dr.Syam Krishnan, Asst.Professor ,Department of Chemistry delivered felicitation. There were 51 participants including 46 students, 4 teachers and 1 resource person.

About the talk

The resource person described about the different types of disasters and how we can reduce the impact of disaster in various situations in detail. The invited talk on disaster management was actually a practice session to provide first aid for saving valuable lives in different emergency situations. The resource clearly explained the different types of fires and the correct method to extinguish fire in different circumstances. They also demonstrated the basic method to provide CPR in emergency situations. After the talk there was an interaction session in which students shared their feed back about the class and cleared their doubts.

Nimisha Jyoti, III DC physics student proposed vote of thanks. The session concluded at 1.30 pm.

Report on Soft skill program 2020-2021

Date: 11 February 2021

Venue: Seminar Hall, MMNSS College, Kottiyam

Event Overview:

On 11th February 2021, the Department of English at MMNSS College hosted a one-day soft skill program **"A session on Team building and Group Dynamics"** focused on developing soft skills and giving Career English Guidance. The event aimed to provide students with valuable insights and practical advice regarding career opportunities and the importance of English proficiency in the professional world.

The program featured Dr. Sajith S.J.Sasi, Asst Professor, SN College, Kollam as the key note speaker. He brought a wealth of knowledge and experience to the session, making it an engaging and informative event for all participants.

A total of 25 students from various disciplines attended the program. Their active participation and engagement throughout the session highlighted their interest in exploring career opportunities and enhancing their English language skills.

Program Highlights:

1. **Introduction to Team Management :** He began the session by discussing various interview skills and career paths where English proficiency plays a crucial role. He highlighted fields such as business, journalism, education, and international relations, emphasizing the growing demand for strong communication skills in the global job market.
2. **Importance of Group Dynamics:** The speaker provided insights into how English proficiency can significantly impact career advancement. He shared practical tips on improving language skills, including reading, writing, and speaking exercises.
3. **Interactive Q&A Session:** Following the presentation, he engaged with students through a dynamic question-and-answer session. Students posed various queries regarding career planning, language enhancement techniques, and professional development. The interactive discussion allowed for personalized advice and clarification of doubts.
4. **Practical Tips and Resources:** The session shared a range of resources and tools that students can utilize to improve their English proficiency and explore career opportunities. These included recommended books, online courses, and professional networks.

Feedback and Outcomes: The feedback from students was overwhelmingly positive. Many participants expressed their appreciation for the practical advice and guidance provided by him. The program successfully highlighted the importance of English proficiency in career development and equipped students with actionable strategies for improvement.

Conclusion:

The soft skill development Program was a valuable initiative that offered students a comprehensive understanding of how English proficiency can influence their career trajectories. The expertise and insights shared by Dr. Sajith have equipped students with the knowledge and tools necessary for their professional growth.

The Department of English at MMNSS College extends its gratitude to Dr. Sajith for his contribution and to all participating students for their enthusiasm and engagement. The program underscored the department's commitment to providing students with relevant and impactful career guidance.

Report on One-Day Programme on Spoken English Training Program "English Fluency: The key to Success" 2021-2022

On February 28, 2022, the Department of English at MMNSS College successfully conducted a one-day programme "English Fluency: The Key to Success" aimed at enhancing public speaking skills among students. The session, held at the seminar hall, witnessed active participation from 65 enthusiastic students.

The programme was inaugurated by the Head of the Department, who emphasized the importance of effective communication skills in today's competitive world. The session was led by Mr.C.N. Ajay kumar (Director, New Dawn Life Skills), who is renowned for his expertise in public speaking and communication.

Throughout the day, He engaged the students with interactive sessions, focusing on various aspects of public speaking, including voice modulation, body language, and audience engagement. He provided practical tips and techniques to help students overcome stage fright and communicate more confidently.

The highlight of the programme was the Q&A session, where students were encouraged to ask questions and share their own experiences. He addressed each query with insightful answers, making the session highly informative and beneficial for all participants.

The programme concluded with a vote of thanks, where the students expressed their appreciation for the valuable insights gained during the session. Overall, the one-day programme was a resounding success, leaving the students motivated and better equipped to tackle public speaking challenges in the future.
