Report on the Program: *Mastering the Path to Success*

Department of English, MMNSS College, Kottiyam

Date: 14, March 2019

The Department of English at MMNSS College has been actively engaged in providing comprehensive guidance to students aspiring to succeed in various competitive exams, including Bank, UPSC, SSC, and PG entrance examinations. The initiative, titled *Mastering the Path to Success*, is designed to equip students with the necessary skills and knowledge to excel in these challenging examinations.

During the academic year 2020-2021, the program enrolled 25 interested final-year students from various disciplines. The program offered targeted coaching sessions, mock tests, and personalized mentorship to help students navigate the complexities of these exams. The curriculum was tailored to address the specific needs of each exam, ensuring that students were well-prepared for the diverse challenges they would face.

The program's success is evident in the outcomes achieved by the participants. Out of the 25 enrolled students, four successfully qualified for different competitive exams, securing positions in prestigious institutions and organizations. Additionally, our successful PG aspirants have been admitted to various central universities across Kerala, Karnataka, and Tamil Nadu. These students are now pursuing advanced studies, furthering their academic and professional careers.

The *Mastering the Path to Success* program has proven to be an invaluable resource for students at MMNSS College, demonstrating the department's commitment to supporting students' academic and career aspirations. The Department of English remains dedicated to continuing this initiative, fostering a culture of excellence and ambition among its students.

The Department of Commerce and ED Club MMNSS College, Kottiyam, Kollam, organized an industrial visit to the Milma Dairy Unit, Kollam, on 26th November 2018. The visit aimed to provide students with first-hand experience in the processing of various milk products and to enhance their understanding of the operations and management of a modern dairy plant.

Objectives of the Visit

1. To acquire practical knowledge of milk product processing.
2. To understand the functioning and operations of a dairy unit.
3. To gain insights into the quality control measures implemented in milk processing.
4. To comprehend the role of technology and automation in the dairy industry.

Details of the Visit

- **Date:** 26th November 2018
- **Location:** Milma Dairy Unit, Kollam
- **Participants:**
 - **Students:** 48
 - **Teaching Faculties:** 2
- **Faculty Coordinators:** Kavitha L

Overview of Milma Dairy Unit, Kollam

Milma (Kerala Co-operative Milk Marketing Federation) is a well-known name in Kerala for providing quality dairy products. The Kollam unit of Milma is one of the significant plants engaged in the production and distribution of milk and its by-products. The plant is equipped with modern machinery and follows stringent quality control measures to ensure that the products meet industry standards.

Summary of Activities

1. **Orientation Session:**
The visit commenced with a brief orientation session conducted by the Milma team. The students were introduced to the history of Milma, its operations, and the various products processed at the unit. The orientation also covered the importance of hygiene and quality control in the dairy industry.
2. **Tour of the Processing Unit:**
The students were taken on a guided tour of the processing unit, where they observed various stages of milk processing, including:
 - **Milk Collection and Pasteurization:** The process of collecting milk from farmers, testing for quality, and pasteurizing it to eliminate harmful bacteria.

26-11-2018

- **Homogenization and Standardization:** Ensuring uniform consistency and maintaining fat levels as per the product specifications.
- **Packaging:** The automated packaging lines where milk is packed in different quantities and variants.
- **Production of By-products:** An overview of the production of various dairy by-products such as curd, butter, ghee, and flavored milk.

3. **Quality Control and Testing:**

The quality control laboratory was an essential part of the visit. The students were introduced to the various testing procedures undertaken to ensure the quality and safety of the milk and its products.

4. **Interaction with the Management:**

The visit concluded with an interactive session with the plant's management team. The students asked questions about the challenges faced by the dairy industry, the importance of maintaining supply chain efficiency, and the role of cooperatives in supporting dairy farmers.

Learning Outcomes

The industrial visit provided valuable insights into the following areas:

- The end-to-end process of milk collection, processing, and packaging.
- The importance of adhering to strict quality control standards.
- Understanding the role of technology in improving efficiency and productivity in the dairy industry.
- Gaining awareness of the challenges faced by the dairy sector and the solutions implemented by Milma to overcome them.

Conclusion

The industrial visit to the Milma Dairy Unit in Kollam was an enriching experience for the students of the Department of Commerce, MMNSS College, Kottiyam. It helped bridge the gap between theoretical knowledge and practical application, providing the students with a better understanding of the dairy industry. The visit also emphasized the significance of maintaining quality and hygiene in food processing industries.
