## Research methodology – One day workshop by Department of English (2021-22)

## Report on Research Methodology Workshop (2021-2022)

**Programme Date:** 15/01/2022

**Co-ordinator:** Jayakrishnan.R., Assistant Professor, Department of English

**Organized by:** Department of English in collaboration with Research Cell, MMNSS College, Kottiyam

**Participants:** 63- BA English Semester 5 students

The Department of English conducted a one-day workshop on research methodology. The session aimed to familiarize students with key aspects of research, focusing on how to select a topic, write a thesis statement, and formulate objectives and aims. The workshop also introduced students to different research methods used in literary and linguistic studies.

The first session on **topic selection** emphasized identifying researchable and manageable topics relevant to the students' areas of interest. Following this, the **thesis statement writing** session highlighted the importance of creating a clear and arguable statement that encapsulates the central argument of the research. Students then learned to distinguish between **objectives and aims**, ensuring their research was focused and clearly defined.

The workshop also covered **research methods**, exploring qualitative, quantitative, and mixed-method approaches. Students learned about textual analysis, discourse analysis, and comparative studies, among others, to determine the most suitable method for their project.

A significant portion of the workshop focused on **citation styles**, particularly **MLA 8th edition**. The session covered in-text citations and the proper format for a Works Cited page, with practical exercises provided for better understanding.

The workshop received positive feedback from students, who appreciated the hands-on approach and found it helpful in preparing for their final year UG research projects.
