Large Scale Preparation of Hand Sanitizer
Department of chemistry

Distribution of Hand sanitizer by Department of Chemistry for College students

28/8/20 Large scale Preparation of hand sanitizer

Hand Sanitizer was in high demand due to the covid outbreak. University examinations were conducted in the college adhering to strict protocols wherein usage of sanitizer was mandatory. Various govt. offices like Police station Post office etc also requested repeat batches of sanitizers. Hence the department of chemistry prepared 50 Litres of sanitizer as per WHO protocols and distributed it to various departments of the college and also government offices like banks, post office and police station.

Dr. R. PRAKASH CHANDRAN
Head, Dept. of Chemistry
