Good , Very good, Excellent

rrrrrrrrsa

1.

Better teaching method and there is a close relationship maintained by the teachers to students.

The overall teaching - learning experience is good

The overall teaching and learning experience is very well.The institution provide a better education environment for students.

Make teaching a two way intraction. Use better graphics and visual media to engage students well.

Good experience good institution

The teaching method is already satisfactory for the students

Over all performance is good.

Reduce the number of assignments

conduct class on mental health

* make sure that each students are giving attention to the class and styding well * their is nothing to improve each teachers are putting their great effort to make students well educated and in understanding each subject.keepongoing like this

Online classes were ineffective sometimes. So many students cant participate live class sections. All teachers were very sincere.

We need both online live classes and recorded video classes for problem papers. Some students are unable to join the class due to network failure and are requested to take recorded video classes.

Good teaching experience

Teachers should be more interactive with students

1.Enhance the experimental learning 2.Improve the e-teaching methods 3.Increasing the students satisfaction.

THEY HAVE A NETWORK PROBLEM IN THE ONLINE CLASS.

They are doing there best for our future.They are taking much effort for us..

1.Add more external mentoring classes 2.Provide more importants to e-learning methods 3. Add year wise campus selection methods.

no

There are doing there must for our future.

*satisfied 100/100

1.Transforming the education pattern by including vocational courses and professional courses. 2.skill based learning and promoting entrepreneurial skills in the students.

1.Recorded videos should be better than live classes

Overall teaching and learning experience is very good

Always satisfaction

Nothing..

Excellent teaching and learning experience are given the teachers

in our institution teaching and learning experience is excellent

reach every student and ask for their doubts.

By perfect understanding

Our institution is able to handle all things and are able to tackle problems, if raised. So, on my part, I have no suggestion to improve the overall teaching experience, because our institution had made more improvements each year.

Inspiring

Good class

Mhgvdh

In our college,teachers are very much experienced,and brilliant in teaching .they always give guidance and support to enhance our skills ..so i have no suggestions to be improved..there way of teaching is excellent 😊👍

Very good

I have no suggestions because I am satisfied in my institution

.Take the students to various fields related to zoology like field observation or study tour . Teach the students more about their career guidance. Construct seminars or classes on different types of courses after degree . Conduct more programmes classwise to improve the skills of students in various fields that may be after class or in any free periods.

I am satisfied with the experience with this institution

1.Discipline 2.College atmosphere 3.Excellent Class

Conduct online test papers weekly

I think there is no unfair situation in our institution .keep going we are satisfied

Now all the facilities are good . I can follow well.

It can be improved

Complete satisfaction

* Include more example while teaching * Give point based notes * Interaction between both should become great

By providing more group discussion among students

This way is excellent

Teaching methods used by our teachers are good and easily understandable . There is no more suggestions because they are doing their level best . Excellent way of teaching during online classes

Better class for students

1.By focussing on more examples 2.Appointing guest lectures who got NET

Observations

I have no suggestions. I am duly satisfied with the teaching experience of my college. I think I am blessed to have such wonderful teachers.

I am satisfied

Stress free education by giving some extra activity classes

completely satisfied

Personalised learning should be made more effective.

Always satisfied

Teachers are friendly with all the students. The teaching and learning are good. I like the college and teacher's

Online text papers. Online group companion studies

Focus on students experience, and build positive mind in students

Excellent

Nothing

Our college provide good facilities for the well future of students . Conduct more programs to improve their skills and provide opportunities to express in front of society through our college as a platform.

The present teaching- learning experience is excellent

The present teaching-learning experience is excellent

The learning and the teaching experience for me is very effective.

1.Promote More employability to students 2.Promote extra curricular activities 3.Promote internships

Existing methods of college are already good at all ..conduct more district level programmes in our college

To increase testpaper

Nothing. Mode of teaching is excellent in our college

Method of teaching is good,best way of interaction with students and they try their best to make us always encouraged

Overall good I'm satisfied

Online class is not mostly useful to all because of the network issues

I improve the basic facilities

Provide meaningful interactions Provide opportunities for students to be a mentor and to function as a peer teacher

I am satisfied with the way of teaching. So I have no other suggestions.

No suggestions, I am lucky to get admission in this collage

Satisfactory

Promote students talents

I am satisfied with this.

Completely satisfied
